Program Description

FABSS is designed to provide safe and quality care for children grades Kindergarten through 5th. Children have the opportunity to participate in daily activities which promote academic achievement, creativity and social skills. All FABSS employees meet and exceed the Ohio Department of Education Standards for school-age care. FABSS sites open at 6:30 AM for the before school session. Learning centers, fine and large motor skill games, homework review time, and breakfast are all offered each morning. Children are then dismissed at the appropriate times to either their classrooms or are transported by Findlay City School busses to their assigned schools. The after school session consists of a homework and academic review time, a nutritious snack, and a variety of planned developmentally appropriate learning experiences. FABSS closes at 6:00 PM. FABSS is open for all scheduled school delays, early dismissals (excluding emergency weather dismissals), and most closings due to in-climate weather. FABSS is also open during the scheduled parent-teacher conference days in November, but is closed for all other school holidays and scheduled vacation times. FABSS also offers an all day Summer Program open to students registered for Kindergarten through students entering the sixth grade.

Before and/or After School Fees

The first week's tuition and a \$25 per family registration fee is due at the time of each enrollment.
