

SUMMER FABSS 2009 REGISTRATION FORM

Tuesday June 2nd – Friday August 7th

Held at Lincoln Elementary located at 200 W. Lincoln St.

Summer Educational Theme: The Seven Continents!

Program Description

FABSS (Findlay After & Before School Sessions) is designed to provide safe and quality care for school age children. These children are provided the opportunity to participate in daily activities which promote academic achievement, creativity and social skills. Our summer program is open to students who are registered for Kindergarten through grade six (going into grade seven or 12 years of age*). The summer hours are 6:30am to 6:00pm. This summer we will be housed at Lincoln Elementary. The program will begin Tuesday June 2nd and end Friday August 7th. Each day of the week special activities are planned including: Guest Teachers, Community Programs, Field Trips, Library Visits, and Water Play. A nutritious breakfast option and an afternoon snack are also provided each day.

The highly trained FABSS staff meets and exceeds the Ohio Department of Education Licensure standards for school-age care. We maintain ratios well below the norm, as we believe individual children deserve our attention and care. We work closely with our families as well as with the school teachers and administrators to provide a continuity of care and education for all our children. FABSS provides quality affordable care and our families only pay for dates their children actually attend the program. The cost is just \$21 per day for a full day or \$4.50 per hour if the child is in attendance for less than five hours. We also offer a 10% discount off each sibling's tuition. A \$25 registration fee and the completion of a FABSS enrollment packet is all you need do to guarantee your child has a safe alternative to staying home alone this summer. *We are also offering a special Jr. Volunteer program (*for half the cost of regular summer tuition fees*) for students ages 13 & 14 and are accepting up to five of these students, who will receive special training in topics like peer mediation, child abuse & neglect recognition, and more. The accepted junior volunteers will be provided with a special certificate and a letter of reference from the Program Coordinator which they may use to obtain future employment, once the trainings and the summer program is completed. If you would like more information on applying for a Jr. Volunteer position please contact the Program Coordinator at 419-420-7050 or by email at tmhogrefe@findlaycityschools.org.

There will be a parent orientation meeting in May for parents to complete the necessary enrollment paperwork. Once your registration form is received you will be sent a confirmation letter and an invitation to the Summer Orientation meeting. If you have an questions regarding the Summer FABSS program please contact our Program Coordinator at 419-420-7050 or by email at tmhogrefe@findlaycityschools.org
